## AnoFrame SnapOn System™

Our new system gives you infinite display possibilities.

With the AnoFrame SnapOn System, all you need to create a unique display are AnoFrames, poles and clips. You have complete design freedom! You decide the size and number of frames and panels you need. The entire system is cut to your specifications.

- New 200 series now accommodates 3/16" foamboard substrates
- Tool-free assembly - simply snap clips onto frame and push onto pole
- Disassembles quickly for easy storage, Reassembles in minutes

► **Always cut to your exact specifications.**

SnapOn Clip  
Black and silver

\$.70 each

### Live Area Calculator

Live area is the amount of graphic actually shown, when placed in a frame.

When you put a graphic into an AnoFrame, a 5/8" margin is covered by the frame.

When you put a graphic into a 3/16" AnoFrame, a 7/8" margin is covered by the frame.
