

# New AnoGotcha™ Stand

## Telescoping AnoGotcha™ Stand

Don't limit yourself to standard sizes! Combining the same advanced features as the AnoGotcha Stand, the Telescoping AnoGotcha Stand gives you maximum adjustability. Telescoping poles let you display graphics of any height between 48" and 84" tall. Width is made to order. With variable height settings for the lower bar of 2", 8" and 14" above the floor, you have countless display possibilities.

- Infinite adjustability between 48" and 84" in height
- Width is made to order
- Graphics change in seconds with our AnoGotcha holders
- Can be customized to your exact specifications
