Technical Information

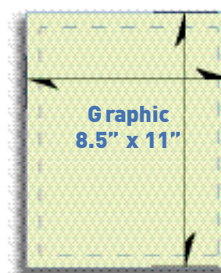

Available in round profile only.

Poles available in 3", 6", and 36" sizes. Custom sizes available: call for pricing. Multiple poles may be needed for wider graphics and wall-mounted applications.

Maximum graphic size will vary with application. Call for details.

Stock finishes are black anodized or clear anodized aluminum with black details. Custom colors also available: 10,000ft. minimum and an up charge may apply. Call for pricing.

Live Area Calculator

"Live area" is the amount of your graphic actually shown when placed in a frame. When you put a graphic into an AnoFrame, a 5/8" margin is covered by the frame.
