

Don't limit your designs to standard size frames.

FreedomFrame™

Finally there is an aluminum, front-load snap frame that doesn't limit you to a few standard sizes – the new FreedomFrame. The FreedomFrame is available in any size from 8" x 8" to 46" x 94". You tell us what size you need, not the other way around! The FreedomFrame features a solid white corrugated plastic backer board to ensure durable, yet lightweight construction.

- Order any size from 8" x 8" to 46" x 94"
- Durable, elegant aluminum finish
- Unique snap-open, snap-closed hinge for secure, easy access

Graphics are created in lots of shapes and sizes.

That's why we created the new FreedomFrame exactly the same way.

Every FreedomFrame is custom-cut to your exact specifications.

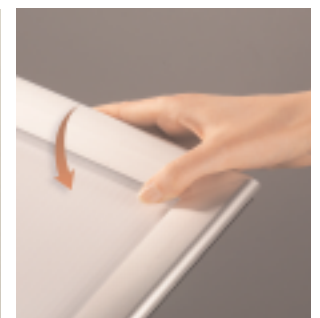

Change graphics easily with a unique snap-open, snap-closed hinge.

Rails easily snap open to replace graphics. Frames never need to be dismantled for new promotions.

Graphics are easily changed by just replacing the old with the new.

White corrugated plastic backer board is both durable and lightweight.

1/50"	1/2 mm.	20 pt.	2 business card

Technical Information

Stock colors are clear and black anodized aluminum. Custom colors and wood finishes available; Minimum quantities apply. Call for pricing.

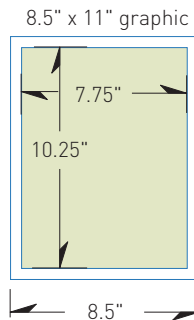

Minimum 8" x 8", Maximum 46" x 94".

Only use thin substrates with the FreedomFrame. Up to 20pt.

Includes 4 screws and molly anchors.
Frames larger than 60" in length will require additional screws and molly anchors.
Adhesive tape is available as a mounting option. Ask for details.

FreedomFrames can be special cut to accommodate a clear graphic liner. Ask for details.

Live Area Calculator

"Live area" is the amount of your graphic actually shown when placed in a frame. When you put a graphic into a FreedomFrame, a 3/8" margin is covered on each side by the frame (a 3/4" loss overall).

Display long, tall graphics or short, wide ones and feel secure they will look great in our new FreedomFrame.
