

New EasyUp™ Magnetic Hanging System

The fastest, easiest way to hang your graphics.

A system so easy your graphics will be hanging in minutes, not hours. Simply attach the magnetic holder to your ceiling grid using the EasyUp™ Pole. Available with two display styles: hanging hooks or new Anti-Gravity™ technology.

- High-power magnetic strips hold your graphics firmly in place
- Can be used with any of our plastic holders ^{or}
- With Anti-Gravity™ technology simply insert your graphic and hang. Slide out to change

Ideal for recessed ceilings. Holders will not scratch your ceiling tiles.

Simply push your graphic into the Anti-Gravity™ holder for a tight, secure hold.

With our revolutionary Anti-Gravity technology, your graphic will only come out if you slide it to the side.
